SPECIALIST ATTACHMENTS
for the brick, block, flag & kerb industry

 **BlockMaster**

Partner of choice for the forklift truck industry

The building products industry is a demanding one. Moving diverse products quickly, effectively and without damage can be challenging. Having researched and developed products for this industry for a number of years, B&B Attachments have more than equipped themselves to meet the handling needs within this industry.

B&B Attachments experience and understanding of the building products industry has been invaluable in the development of BlockMaster, the only comprehensive range of attachments available from a single source. BlockMaster delivers maximum productivity and damage reduction.

B&B have grown into the undisputed market leader in the supply of forklift attachment to this industry in the UK. B&B provide a service for Builders Merchants, third party distributors, dealers as well as the manufacturers of brick, block, flag and kerb products, including clients such as:

- **Marshalls** • **Forterra** • **Aggregate Industries**
- **Forticrete** • **Besblock** • **BS Eaton** • **Lafarge**
- **Ibstock** • **Wienerberger** • **Tarmac** • **PD Edenhall**
- **Thomas Armstrong** • **Newlay Concrete** • **Jewson**
- **Wolseley** • **EH Smith** • **Bretts** • **S. Morris Ltd**

B&B
attachments

As well as a full product range from a single source, B&B are also unique in that we offer full national service and parts support from the largest after sales department in the forklift attachment industry in the UK. A level of support that has not been present in this particular market from any other supplier.

B&B can also offer equipment on short term casual hire, as well as long term contract hire. Further information is available on request.

Whatever your handling needs, B&B Attachments has the solution in the Blockmaster range.
